ABOUT US

- **Establishment:** Shiv Fabric began in 2014, focusing on Narrow Fabrics and Knitted uppers.
- **Experience:** Over 10 years, they've served various needs in these fields, both domestically and internationally.
- **Expertise:** We've gained extensive knowledge and skill, catering to diverse requirements.
- **Capabilities:** Equipped with modern machinery, a Sampling Department, and testing equipment to meet customer needs.
- **Location:** Based in MIE Part A, Bahadurgarh, Haryana, specializing in manufacturing Narrow Fabrics (Niwar, Tapes, Laces, Elastic Bands), Knitted uppers, Sandle & Shoe uppers, and Digital printing on Fabrics.

VISION

We're all about empowering women and transforming fashion sustainably.

We focus on quality, using eco-friendly materials and efficient production.

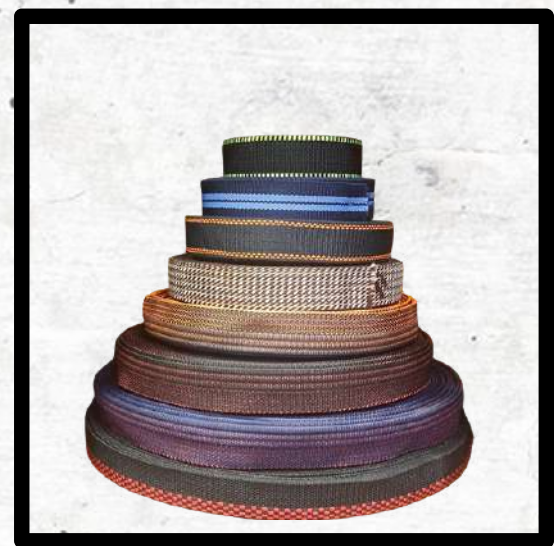

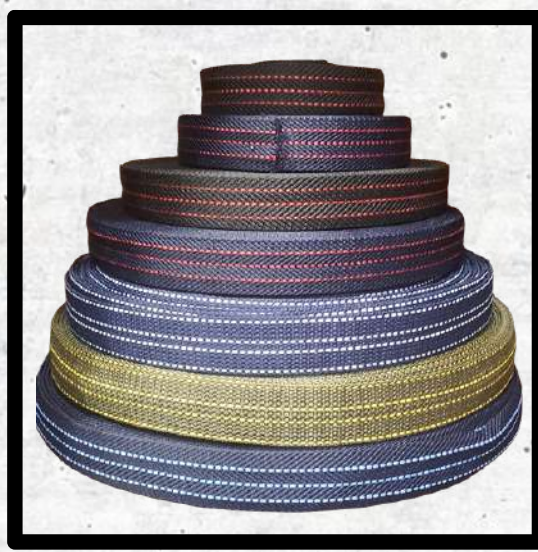

Our global movement stands for empowerment, sustainability, and responsible leadership, shaping a brighter, inclusive future

WHY SHIV FABRICS...?
